

May

GS-Lab- 8-Sep-2018

(Scheduled drive). Two technical Rounds -

1st Technical Round.

↳ They gave me random alphabets - A B C D E F  
↳ You want to arrange them  
↳ 1. A S C E T  
↳ 2. A S C E T

↳ Sequential manner - with meaningful sentence.

① Tell me When you - Using - Testing - on application.  
② How you doing performance testing on your - application.

③ All Manual question Asked.

2nd round-

① Tell me - About Automation testing -

When you performed.

26TH

② They asked about - Palindrome program -  
③ Automation Basic - challenges you faced.  
④ Big life cycle -  
⑤

⑥

28 SAT

project.

⑦ What is Functional Non Functional Requirements -

⑧ DB-SQL Question asked -

⑨ Which Test Cases take - pick from Automation.

⑩ 11. 12. [2nd round] - Technical Round.

⑪ \* What have you worked on - Apple - framework.

⑫ What is Agile (ceremony) -

⑬ what are types of different meeting taken place.

⑭ What is Test - Plan + Test Scenario -

⑮ Automation Framework - Basic - program -

⑯ How you Handled Situation - When you - production -

⑰ How you detected - problem.

LTI - ( Saturday 22 - Sep - 2018 ) - Scheduled drive -  
27 FRI ① Telephonic round - ② Telephonic round + ③ HR -  
By - Prasad QA -  
1st round ① Tell me about yourself - group + 91 9890439544 -

② Tell me About Apple -  
③ What is Scrum -  
④ What is your role - | How you delivered -

⑤ How you handled your - project risk -  
⑥ If you have only one resource your team &  
you unpanned leave how you handled -

⑦ Tell me about performance, ETL, Non functional  
testing. ⑧ Tell me about your project functional &  
non functional flow. ⑨ What risk & How you handled in your

Deoilette today's interview question. Haytt Hotel  
Timing :- of interview:- 1 Hour. 7/10/2017

- ① First they asked me tell me about yourself? - Prasad.  
QAGroups- L9890439544.
- ② Does Do you work in Agile?
- ③ What is Agile?
- ④ What is Retrospective meeting?
- ⑤ What is Diff Between Sprint Review & Retrospective?
- ⑥ How many stand-up meeting in Agile?
- ⑦ What is Defect Density?
- ⑧ What's your role as QA in your project?
- ⑨ Does you used RTM | Tell me Field?
- ⑩ Diff Between Sprint | Agile | Defect Density? -
- ⑪ Difference Between product Backlog & Sprint?
- ⑫ what is fishpot in Agile?
- ⑬ what is Test Execution & Test creation?
- ⑭ Does you created Test plan? what is Entry + Exit criteria.
- ⑮ Diff between QC & QC-1.
- ⑯ what is ALM? Version?

**PF**

**L&Ti**

Todays interview question Dated - 7th Oct/2017.

Interview: Face to Face: Timing 10 to 11 pm

Prasad QA groups  
↳ 9890439544.

- ① Tell me About Your self.
- ② As a Manual what Scenarios you covering?
- ③ Interviewer give me one scenarios.

Automate Application Gmail.

Suppose - You - Hand coded - it. But

Want if Number of user to do the

request in Gmail - What will your approach?

④ What is C-C-I - All scenarios ?

⑤ What is CCV, CVV in Credit Card ?

⑥ Tell me work flow. | How to Handle desktop appn? by selenium - Does it possible If yes then How?  
↳ Web appn only possible to Automate Desktop appn.

⑦ Tell me What is X path? | to automate Download/ Upload file.  
↳ By - Auto IT, Security, Reboot class.

Why we going to used Relative & Absolute path?

⑧ They Asked about Core Banking Interview question.

\* Company \* Agrostar (virman Nagro-Espace) - Time - 2:30 to 3:pm / 7th October

- ① Tell me about Yourself?
- ② Tell me web services?
- ③ Tell me what is Web services? | Severity & Priority?
- ④ Tell me High severity & Low priority?
- ⑤ Tell me How you inspect element? When you do? In manual & Automation.
- ⑥ What is Automaticity?
- ⑦ Tell me Linux - Commands?
- ⑧ Tell me about Web services, Web servers, mobile Application, Desktop application, these Difference?
- ⑨ Can we automated test case - / Automate desktop application through selenium?
- ⑩

By - QA groups -

↳ Progad - 9890439544.

- \* Selenium | Manual Interview questions | 2-Sep-2018  
(Scheduled drive (Manual & QL DB)).

- ① What is System testing.
- ② What is performance testing.
- ③ pick up - value -
- ④ Tell me what is role of software tester QA.
- ⑤ All question is Manual DB -
- ⑥ What is DB - SQL -
- ⑦ Which Database you used - ?
- ⑧ Have you do Automation - / Which - framework you using - .
- ⑨ How you perform your project system testing .

- \* GS-Lab - (Manual & Automation) - | L-Sep-2018 .

- ① Two - Round - Technical + Managerial . + HR Round .  
(Apti - Round - )

↳ Apti Asked About - Scenarios - like Suppose there is three - type - fire application - UI - Level - BU - Unit level & DB - ( 3 fire Airect ) .

you want yo to Automate the application UI - Level - DB level -  
( DB - if - How you do - Connectivity ) .

→ Aptitude General - question Asked .

→ Test scenarios - | Test cases .

May 2011

F to F's Test

Segetic (Company) - proposed.

- ① Tell me about yourself?
- ② Tell me about Data base testing?
- ③ Tell me about what is Inner join - Semi Join & Equi Join diff?
- ④ what is diff b/w truncate & delete?
- ⑤ stored procedure & Truncate?
- ⑥ PL SQL Block?
- ⑦ Join - Any Left & Right Diff?
- ⑧ DML & DDL Command.
- ⑨ project-structure- Flow.
- ⑩ what is Level of testing & all.
- ⑪ Which Defect tracking tool using why & version.

How to gather requirement in QC-

How Req. Segmented- QC- function Req. & why?

⑫ Component of QC.

⑬ Defect life cycle.

⑭ What is Smoke Testing?

⑮ What is Regression testing,

⑯ I give you some of TC's which need to executed-  
Some of them of Regression tests- with limited  
time stamp. How you tested?

⑰ Notes  
What is ETL Testing?
